Names with last name in CAP provided by Alex P.Y.Cheng (AKA Alex P.Cheng) by Memory

? Help is needed to identify their names - any 66/67 alumni who can come forward to identify their names, please?

Let me identify the girls I remembered -

Front row: L4 was not Kathy - her name was Angela LAI Man Ping (Betty Lai's older sister). Kathy was CHENG Mun Ling's English name.

L5 Alice WONG's Chinese name had the word 'Gut' in it. Whether it's something 'Gut' or 'Gut' something, I can't remember.

Did that help?

2nd row: L1 - Helen CHEUNG Yuen Ling - no contact

L2 - YU Luen - no contact

L3 - YU Mei Hung - I think Esther LEUNG (or maiden name
CHU) said she is now in San Fran.

L5 - Betty LAI Tze Him - she is in Calgary, Canada

L7 - Skeeter YU Shou Fung (now Stella Shou Fung LEE).
